

Dear colleagues

I hope you have an enjoyable and productive summer. I would like to report to you two important news items.

Upon the recommendation of the Board of directors I made the following appointments.

1. Gerry Ladas as a treasurer of the society (2008-2010).
2. Henrique Oliveira as the new webpage master and Newsletter Editor (2008-2010).

The society has now a professional website address

<http://www.isdedds.org>

We were disappointed that the address ( isde.org) was already taken. So we selected the second best address, in which the additional letters "ds" refer to dynamical systems.

Please direct all your Comments and questions to Henrique Oliveira ([isde.com@gmail.com](mailto:isde.com@gmail.com))

For those planning to attend ICDEA 14 in Istanbul, I am looking forward to meeting you in person there. For the rest, I hope to see you in future conferences.

Best Regards

A handwritten signature in black ink, which appears to read "Saber Elaydi".

Saber Elaydi

ISDE President
